### OVERVIEW

The transformation of this nineteenth century barn, now welcomes group of families and friends of all ages to celebrate and gather, plus boasting a location in arguably the most highly sought after village in the area. Originally three distinctly separate barns which were historically connected, now evolve into one wondrous living space with a real sense of belonging. Today we find a fusion of on-trend, contemporary and traditional, perfectly aligned to modern living. Both the new and the old dovetailing, in perfect harmony, with an eclectic mix of modern shabby chic woven together with exposed brick work and huge beautiful, load bearing, beams that pay homage to the buildings past.

Oaktree Barn is tucked away in the attractive village of Thurlaston. The village is situated just a mile from Dunchurch where there is a good range of day-to-day facilities and just five miles from the centre of Rugby. Draycote Water can be accessed from a path in the village and the local Golf Course forms the other boundary to the village. There are more extensive shopping facilities in Rugby, Southam, Daventry, Coventry and Leamington Spa and there is a high-speed train service from Rugby to Euston in under 50 minutes. This property really is a wonderfully presented rural retreat.
